BYLAWS:

Bylaw #108 A Bylaw for Residential Minimum Floor Area: Adopted May 15, 2010
No building intended for residential use shall be erected with a floor area of less than 720 square feet or 66.99 square meters.

Bylaw #145 **A Bylaw Respecting Buildings:** Adopted August 25, 2018
A copy of this bylaw is available at the Resort Village of Saskatchewan Beach office or on the website www.saskatchewanbeach.ca

Zoning Bylaw #2/86 A Bylaw Regulating Zoning and Development

- Part 4, Section 4: Not more than one principle dwelling shall be placed on any one lot.
- Part 4, Section 8: Accessory structures (garage, shed) are permitted if located on the same lot as the principle dwelling. Accessory structures shall not exceed 6 meters in height.
- Carport or Garage: Shall be located not less than 20 feet from the lot line of vehicle access. Accessory structures are to be 5 feet from side and rear lot lines.
- Part 4, Section 6: Any lot proposed for a development involving excavation or filling shall be graded and leveled at the owner's expense to provide for adequate surface drainage which does not adversely affect adjacent property.

Table 4: Minimum yard clearances for principal dwellings

- R1: 20 feet front and rear, 5 feet side
R2: 20 feet front, 25 feet rear, 5 feet side
R3: 20 feet front and rear, 5 feet side

Bylaw #69 A Bylaw to amend Bylaw No. 2/86 Adopted September 7, 2002
Only one carport or garage, not exceeding 93 square meters (1000 square feet) shall be permitted.

NOTE: This is a summary of the basic building and zoning bylaws in the Resort Village of Saskatchewan Beach and should not be viewed as the complete bylaws. Complete bylaws are available at the office or on the website. www.saskatchewanbeach.ca
