

Communities in Bloom

RVSB wants to beautify our village. We are hosting a program this summer to provide flower pots for residents to place at their driveways. You can plant flowers or greenery, heck you could even plant tomatoes. To make it fun we will have the residents of RVSB judge your creations on the August 21st weekend. Prizes for the top 3 planters.

If you would like a flower pot dropped off at your house please email or phone the RVSB office. The pots will come ready to plant. The conditions are that the pot must be placed where traffic on the road (walking or driving) can see it and admire its beauty.

The pots are white and you can use your creativity to decorate it if you like. We will try to provide planters to everyone who wants one but we have a limited supply. We will provide the planters in the order of request.

Happy Planting!

We need to create a list of volunteers for the Village Decoration Committee!!!!!!!!!!

All Skills Welcome

Jobs could include:

- Flower box maintenance
- Painting boat ramp
- Arboring
- Miscellaneous tasks

Our Goal is beautifying the community.

Project leaders
Karen Woodley & Doug Hilderman-Councillors

Please call the office (306 729-4410) to be added to list.

Thank You for your participation.
