### House Numbers Required

Bylaw No. 53 states that each house and/or building shall bear the number assigned to the frontage on which the front entrance is situated and shall be posted in a manner as to be visible from the street.

It is a legal requirement that houses have a clear house number sign;

this is enforced by local councils. The address number helps ensure emergency and service vehicles, family and friends, and potential buyers can find your house.

### Boat Launch

Council and Maintenance are working hard to improve the boat launch! The right side launch is redone and work has begun on the left side. A new floating dock will be installed soon. The boat launch gate will be open until the Friday of the May long weekend.

### Volunteers

A perfect day to paint! Many thanks to the volunteers and a special thanks to Larry Woodley of LJ Woodley Painting & Decorating Ltd. who supplied the paint. Two coats of high-velocity yellow were applied in three hours.
