Introduction

The earliest bylaws were hand-written. These were transcribed for this document. The majority of bylaws were either typed or word-processed and printed. These were scanned and character recognition software was used to transform them into digitized text. Only the most recent bylaws were contained in digitized files that could be directly copied to this document. Though all the bylaws in this document have been checked for accuracy, occasional errors that occurred during processing might still be present. Therefore this document should not be regarded as having the same authority as the originals. The originals are kept at the office of The Resort Village of Saskatchewan Beach. Please contact the office to view them.

Note that no consistency in numbering or formatting was used over the years for writing bylaws. Because the formatting and numbering follows the originals in this document, there is no consistency from bylaw to bylaw here either.

Several bylaws contain grammatical errors (spelling, grammar, punctuation). The errors were corrected only in cases where what was intended was absolutely obvious.

Finally, though this document is regularly updated, any bylaws enacted since the document was last edited will be absent. This document was last edited on Wednesday, October-09-24.

Neither Party is obliged to enforce any term, covenant or condition in this Agreement against any person, if, or to the extent by doing so, such Party is caused to be in breach of any laws, regulations or enactments from time to time in force.

5. INTERMENTS

- a.) No interments shall be made in the Cemetery until compliance with the provisions of this Bylaw, the Public Health Act and Vital Statistics Act of the Province of Saskatchewan and with any regulations issued thereunder, and shall also have complied with the provisions of this Bylaw.

- c.) No interments shall be permitted in the Cemetery unless a proper burial permit or cremation certificate is produced by the party applying for the burial, in accordance with this Bylaw. The proper burial permit or cremation certificate is provided by the Funeral Home.
- d.) Subject to Subsections 5 (a), 5 (b), 5(c) and 5(h), a maximum of one body and two urns of cremated human remains, or three urns of cremated human remains shall be interred in any one cemetery plot.

The urn is then buried and covered with the same soil. Following the opening and closing of a burial plot, all surrounding sites must be returned to the condition they were prior to the burial. This will include the clean-up of clay, top soil and the raking of grass around the burial site and surrounding area. (When closing the grave, lumps of soil will need to be broken down before it is used to close the grave. This will help to prevent the ground from sinking in the future.). If the opening and closing of the grave is not completed by the family according to Subsection 5(h), the RVSB will correct it and the cost will be charged to the family.
- i.) Immediately following interment, weather permitting, gravesites must be backfilled with the soil that was removed to make the opening.
- j.) All costs associated with snow removal by the Maintenance Department in preparation for an interment will be at the expense of the family requesting the burial, as per Schedule "A" of this Bylaw.

6. INTERMENTS OF INDIGENT PERSONS

- a.) The Administrator shall provide interment rights free of charge for an unclaimed body or for a deceased indigent person where the RVSB is instructed to provide interment rights free of charge pursuant to the provisions of Section 50 of *The Cemeteries Act, 1999* and any regulations thereto addressing the interment of indigent persons.
- b.) The interment of indigent person shall occur in a plot of which shall be within the sole discretion of the Administrator.

As per Regulation 36 of *The Cemeteries Act, 1999*, the disinterment of human remains shall be permitted only by order of the Chief Coroner as appointed by *The Coroners Act, 1999*, or upon issuance of a disinterment permit from the Minister of Public Health or his/her designate issued pursuant to an application under Regulation 30 of *The Public Health Act, 1994*.
- b.) A person making an application pursuant to Subsection 7(a) shall ensure that a Licensed Funeral Director is present during the disinterment for the handling and transportation of

the human remains. All handling of liners, casket, or remains, are the responsibility of the Licensed Funeral Director.

8. PLANTS AND SHRUBS

The top of the foundation shall be level with the ground. Flat markers must be placed flush with the ground. All names of those buried in the plot will be engraved or lasered directly onto the monument or flat marker or onto a bronze or ceramic plaque which will be installed onto the monument or flat marker.
- f.) Any monument and flat marker that varies from the requirements listed in Subsection 10 (d) and 10 (e) will be removed from the Cemetery upon written notice of contravention with the cost of removal to be charged to the offending party. If an acceptable monument or flat marker is not installed, subsequently, the RVSB will purchase some form of a permanent marker, to indicate the burial which will be charged to the offending party.

- k.) The RVSB will not be liable for the loss of or any damage to any monument, flat marker, or of any memorial tribute located in the Cemetery.
- l.) Notwithstanding Section 10(k), the RVSB reserves the right to temporarily remove any monument or flat marker for the purpose of performing necessary maintenance work and is not responsible for any damages this temporary removal may cause.
- m.) Once the monument or flat marker is installed, no memorial shall be removed from the Cemetery without first notifying the Administrator and his/her appointee, in writing, stating the reasons for such removal. If approved by the Administrator, then the monument or flat marker may be removed and replaced with another monument or flat marker.

MEETINGS

First meeting

11. At the first meeting of council following an election:

(a) The Returning Officer shall provide council with a copy of the declaration of results with respect to the election; and

(b) every council member elected shall take the oath of office required by the Act.

Regular meetings

12. Regular meetings of council are held at a location to be designated by council by resolution, on the third Wednesday of each month commencing at 5:00 p.m., unless otherwise determined by council by resolution.

Special meetings

13. For the purposes of subsection 123(1) of the Act, Form 1 is the form to be used to request the administrator to call a special meeting of council.

Meeting through electronic means

14. One or more members of council may participate in a council meeting by means of a telephonic, electronic or other communication facility if they provide the administrator with at least two business days' notice of their intent to participate in this manner.

Notice of meetings

15. For the purposes of clause 124(1)(c) of the Act, Form 2 is the form to be used by a member of council to request the administrator to use an alternate method of providing notice of meetings.

Notice to public

16. The administrator shall provide notice of a council meeting to the public by posting notice of the meeting at the municipal office and on the municipal website.

Closed sessions

17. (1) A resolution to move into closed session shall state, in general terms, the topic to be discussed.
(2) Where council resolves to move into closed session:
 (a) all persons shall be excluded from the meeting except the members of council, the administrator, and any other persons that council considers appropriate;
 (b) in addition to the resolution to do so, the administrator shall record in the minutes the time that the closed portion of the meeting commenced and concluded;
(3) No business other than that described within the resolution to move into closed session may be discussed.
(4) Matters discussed or to be discussed in a closed session are to be kept in confidence until discussed at a public meeting of council.

 (l) Adjournment.
- (2) Council shall take up its business in the order in which it stands on the agenda, unless:
 (a) it determines otherwise by motion, which vote shall be placed without debate; or

(b) the mayor determines during the proceedings of council that it is in the public interest that a matter be moved forward to be dealt with promptly.

Agendas

19. (1) The administrator shall prepare the agenda for all meetings of council.
(2) The agenda shall include all items of business and associated reports, bylaws, or documents and shall be set out in accordance with the order of business.
(3) The administrator shall ensure that the council agenda is delivered to each member of council at least three days prior to the council meeting.
(4) The administrator shall ensure that the council agenda is available to the general public at least three days prior to the council meeting.
(5) If, for any reason, the administrator is unable to meet the deadline mentioned in subsection (3), the administrator shall prepare and distribute the agenda as soon as reasonably possible to allow council members an opportunity to review the agenda prior to the council meeting.
(6) All administrative reports, communications from the public, requests, or any other material intended for inclusion in a council agenda must be received by the administrator by 9:00 a.m. five days prior to the council meeting.
(7) Council may by resolution permit additional material to be placed on the agenda.

Urgent business

20. (1) The administrator may request to add a matter to the agenda of a meeting as urgent business after the agenda has been prepared and distributed by the administrator, where the matter was unforeseeable at the time the agenda was prepared, is time sensitive and requires council's immediate consideration.
(2) The administrator shall distribute to the members of council a report of a request to add a matter of urgent business to the agenda, including an explanation of the reasons and degree of urgency of the matter, as soon as it is available.
(3) During the confirmation of the agenda, a member of council may move to add to the agenda a report, communication, or delegation relating to urgent business.

Call to order

21. (1) At the hour set for the meeting to commence, or as soon as all members of council are present, the mayor, or in his or her absence the deputy mayor, shall take the chair and call the members to order.
(2) If a quorum is present but neither the mayor nor the deputy mayor is in attendance within five minutes after the hour appointed, council shall appoint an acting mayor who shall call the meeting to order and shall preside over the meeting until the arrival of the mayor or the deputy mayor.

Lack of quorum

22. (1) If a quorum is not present 15 minutes after the time appointed for the meeting to commence, the administrator shall record the names of the members present at the expiration of that time and announce that council shall then stand adjourned until the next meeting, unless a special meeting is called in the meantime.
(2) If at any meeting the number of members is reduced to less than the number required for a quorum, council shall stand adjourned.

(3) Any unfinished business remaining at the time of an adjournment due to the loss of quorum shall be considered at the next regular meeting or placed on the agenda for a special meeting called for the purpose of dealing with the unfinished items.

Minutes

23. (1) The administrator shall record the minutes of each council meeting without note or comment and shall distribute copies of the minutes to each member at least 24 hours prior to a subsequent council meeting.
(2) Any member of council may make a motion amending the minutes to correct any mistakes.

Public hearings

24. (1) If a public hearing is required, it shall be conducted as follows:
(a) the mayor shall declare the hearing on the matter open;

(d) council may request further information from administration;
(e) council shall formally receive all communications and written reports submitted to it on the subject matter of the hearing;

(2) The time allowed for each person making representations is 10 minutes.
(3) A hearing may be adjourned to a certain date.
(4) A member shall abstain from taking part in the debate or voting on a bylaw or resolution that is the subject of the hearing if the member was absent from any part of the public hearing.

(6) The administrator shall include in the council agenda all written communications that are received by the agenda deadline.

(7) The administrator shall bring any communication that is received after the agenda deadline to the attention of council and shall advise the sender that the communication will not be considered by council unless the majority of members vote to allow the communication within the motion to approve the agenda.

Delegations

26. (1) A person who wishes to speak to council on a matter for which a public hearing is not required shall provide an original, signed, written request to the administrator, which shall:

 - (ii) the telephone number where the spokesperson can be reached during the day;
- (2) A request to speak to council must be received by the administrator no later than the agenda deadline in order to be included on the council agenda.
- (3) The administrator shall bring any request that is received after the agenda deadline to the attention of council and shall advise the person making the request that the delegation will not be considered by council unless the majority of members vote to allow the delegation within the motion to approve the agenda.
- (4) Delegations speaking before council shall address their remarks to the stated business.
- (5) Delegations are limited to speaking only once.
- (6) Rebuttal or cross debate with other delegations is not permitted.

- (10) The mayor shall, at the conclusion of 10 minutes, inform the delegation that the time limit is up.
- (11) Delegations are not permitted to assume any unused time allocated to another delegation.
- (12) Upon the completion of a presentation to council by a delegation, any discourse between members and the delegation is limited to members asking questions for clarification and obtaining additional, relevant information only.
- (13) Members of council shall not enter into debate with the delegation respecting the presentation.
- (14) Once a motion has been moved, no further representations or questions of the delegation are permitted.
- (15) The administrator may refuse to accept a request to speak to council if council has, within the six months immediately preceding the request, already heard from the person and dealt with the same or substantially the same matter by resolution or bylaw.
- (16) If a request to speak to council is refused pursuant to subsection (15), the administrator shall forward a copy of the request and the reply to members of council.

Recess

28. A member of council may move a motion to recess at any time during a meeting.

Adjournment

- (2) If a member is speaking at 9:00 p.m., the mayor shall wait until that person is done speaking before asking council to consider whether it wants to extend the time of the meeting.
- (3) Any business that remains on the agenda and that has not been dealt with at the time of adjournment is postponed until the next regularly scheduled council meeting, or until a special meeting is called for the purpose of dealing with the unfinished items.

Extension of time

30. (1) Notwithstanding section 24, a regularly scheduled council meeting may be extended beyond 9:00 p.m. by a unanimous vote of all members present.
- (2) If council extends its meeting pursuant to subsection (1), the meeting continues until:

Deputy mayor

32. The council shall, at its first meeting, or as soon thereafter as conveniently possible and whenever the office becomes vacant, appoint a deputy mayor from among its members.

Acting mayor

33. (1) The member of council to be appointed as acting mayor shall be elected by a majority of the members present.
- (2) Where two members have an equal number of votes, the administrator shall:
- (a) write the names of those members separately on blank sheets of paper of equal size, colour and texture;
 - (b) fold the sheets in a uniform manner so the names are concealed;
 - (c) deposit them in a receptacle; and
 - (d) direct a person to withdraw one of the sheets and
 - (e) declare the member whose name is on the sheet withdrawn to be elected.

Persons allowed at the table

34. No person, except a member of council, the administrator and any other member of the administration authorized by the administrator, and any person permitted by the mayor, is allowed to be seated at the council table during the sittings of the council.

Conduct of public

35. All persons in the public gallery at a council meeting shall:
- (a) refrain from addressing council or a member unless permitted to do so;
 - (b) maintain quiet and order;
 - (c) refrain from disturbing the proceedings by words, gestures or actions including applauding or displaying flags, placards or similar material;
 - (d) refrain from talking on cellular telephones;
 - (e) refrain from making audio or video recordings of council proceedings; and
 - (f) ensure that all electronic devices are silent and operated in a manner that does not interfere with the meeting or with another person's ability to hear or view the proceedings.

Conduct in meetings

36. When addressing members at a council meeting, a member of council or a delegation to council shall refrain from:
- (a) speaking disrespectfully of the federal government, the provincial government, or another municipal council, or any official representing them;
 - (b) using offensive words in referring to a member, an employee of the municipality, or a member of the public;
 - (c) reflecting on a vote of council except when moving to rescind or reconsider it;
 - (d) reflecting on the motives of the members who voted on a motion or the mover of a motion; or
 - (e) shouting or using an immoderate tone, profane, vulgar or offensive language.

Conduct of members

37. (1) Members of council wishing to speak at a meeting shall ensure they do not interrupt another member.
(2) If more than one member wishes to speak at a meeting at the same time, the mayor shall indicate which member shall speak first.
(3) When a member is addressing the council, all other members shall:
- (a) remain quiet and seated;
 - (b) refrain from interrupting the speaker, except on a point of order or point of procedure; and
 - (c) refrain from carrying on a private conversation in a manner that disturbs the speaker.
- (4) Members shall ensure that all electronic devices remain silent and do not interfere with the meeting.

Improper conduct

38. (1) The mayor may request that any person in the public gallery or delegation who disturbs the proceedings of council or acts improperly at a council meeting leave or be expelled from the meeting.
(2) No person shall refuse to leave a council meeting when requested to do so by the mayor.
(3) Any person who refuses to leave when requested to do so may be removed.
(4) If a person disturbs the proceedings of council or refuses to leave when requested to do so, the mayor may recess the meeting until the person leaves or adjourn the meeting to another day.

PROCEDURES AND MOTIONS

Point of order

39. (1) A "point of order" arises when a member of council claims that the procedures of the meeting or of an individual council member are contrary to the procedural rules or practices.
(2) A member may rise and ask the mayor to rule on a point of order.

- (3) When a point of order is raised, the member speaking shall immediately cease speaking until the mayor decides the point of order raised.
- (4) A point of order must be raised immediately at the time the rules of council are alleged to be breached.
- (5) The member against whom a point of order is raised may be granted permission by the mayor to explain.
- (6) The mayor may consult the administrator before ruling on a point of order.
- (7) A point of order is not subject to amendment or debate.

Point of privilege

40. (1) A “point of privilege” arises when a member of council claims:
- (a) the rights, privileges, decorum or dignity of the council collectively or the rights and privileges of a member individually have been affected;
 - (b) when a member believes that another member has spoken disrespectfully toward him or her or the council;
 - (c) when a member believes his or her comments have been misunderstood or misinterpreted by another member; or
 - (d) when a member believes that comments he or she made outside the council Chamber have been misinterpreted or misunderstood by the community, the public or the news media, in order to clarify his or her position.
- (2) A member may rise and ask the mayor to rule on a point of privilege.
- (3) After the member has stated the point of privilege, the mayor shall rule whether or not the matter raised is a point of privilege.
- (4) If the matter is determined to be a point of privilege, the member who raised the point of privilege shall be permitted to speak to the matter.
- (5) If the point of privilege concerns a situation, circumstance or event that arose between council meetings, the member shall raise the point of privilege immediately after adoption of the minutes of the previous council meeting.
- (6) The mayor may consult the administrator before ruling on a point of privilege.
- A point of privilege is not subject to amendment or debate unless a motion regarding the point of privilege is put to council.

Point of procedure

41. (1) A “point of procedure” arises when a member of council directs a question to the mayor to obtain information on the rules or procedures bearing on the business at hand.
- (2) Any member may ask the mayor for an opinion on a point of procedure.
- (3) When a point of procedure is raised, the member speaking shall immediately cease speaking until the mayor responds to the inquiry.
- (4) After the member has asked the point of procedure, the mayor shall provide an opinion on the rules of procedure bearing on the matter before council.
- (5) The mayor may consult the administrator before providing an opinion on the point of procedure.
- (6) A point of procedure is not subject to amendment or debate.
- (7) The mayor’s answer to a point of procedure is not a ruling and cannot be appealed to the whole of council.

Appeal

42. (1) A member who wishes to appeal a ruling of the mayor on a point of order or point of privilege to the whole of council shall move the motion of appeal, “that the decision of the chair be overruled”.

(2) The member may offer a brief reason for the challenge and the mayor may state the reason for the decision, following which the question shall be put immediately without debate.

(3) The mayor shall be governed by the vote of the majority of the members present.

A ruling of the mayor must be appealed immediately after the ruling is made or the ruling will be final.

Calling a member to order

43. (1) When the mayor calls a member of council to order, the member shall resume his or her seat, but may afterwards explain his or her position in making the remark for which he or she was called to order.

(2) If a member refuses to resume his or her seat when called to order, the mayor shall request the deputy mayor, or if the deputy mayor is absent or is the unruly member, any other member of council to move a resolution to remove the unruly member for the shorter of:

(a) the balance of the meeting or until a time during the meeting that is stated in the motion; or

(b) until the member makes an apology acceptable to council for his or her unruly behavior.

(3) When the majority of council votes in favour of the resolution, the mayor shall direct the unruly member to leave the council chamber, and if the member refuses to leave, the mayor may:

(a) recess the meeting until the person leaves or adjourn the meeting to another day; or

(b) direct that law enforcement officials be engaged to assist in the removal of the unruly member.

(4) When council has directed an unruly member to leave the council chambers, and the member so directed makes an explanation and apology adequate and satisfactory to the council, it may, by a majority vote of the remaining members present, allow the offending member to remain in or retake his or her place.

Motions

(1) A motion shall express fully and clearly the intent of the mover and shall not be preceded by any preamble or whereas clauses.

(2) Any member of council may require the motion under debate to be read at any time during the debate, but not so as to interrupt another member while speaking.

(3) When a motion is under debate no other motion may be made, except a motion to:

(a) amend the motion;

(b) refer the motion to a council committee or administration for a report back to council;

(c) postpone the motion to a fixed date;

(d) request that the motion be put to a vote;

(e) extend the time for a council meeting; or

(f) adjourn the meeting.

(4) Notwithstanding any other provisions of this Bylaw, the member who moved a motion after a motion is under debate may, with the consent of council, change the wording of the motion, or agree to a change proposed by another member, if the alteration does not change the intention of the motion.

(5) Any motions allowed under subsection (3) are to be considered in the order in which they are moved.

Amendments to motions

44. (1) Except as provided in subsection (10), any motion may be amended to add, delete or change a word or words within the motion.

(2) An amending motion must be:

(a) relevant to the main motion;

(b) made while the main motion is under consideration; and

(c) consistent with the principle embodied in the main motion.

(3) An amending motion may also be amended if the sub-amendment is:

(a) relevant to the original amendment;

- (b) made while the original amendment is under consideration; and
- (c) consistent with the intent of either the original amendment or the main motion.
- (4) Only two amendments to a motion, an amendment and a sub-amendment, are allowed at the same time, and one or both of them must be dealt with before a further amendment or sub-amendment may be entertained.
- (5) There is no limit to the number of amendments or sub-amendments that may be proposed.
- (6) An amendment may be introduced at any time before the question is put on the main motion.
- (7) Any member wishing to move an amendment that is not in order at the time because there are already two amendments before the meeting may state the intention of the proposed amendment or sub-amendment, as the proposal may affect the vote on those motions awaiting decision.
- (8) The main motion shall not be debated until all amendments to it have been put to a vote.
- (9) When all amendments have been voted on, the main motion incorporating all amendments adopted shall be put to a vote.
- (10) No amendments may be made to the following motions:
 - (a) a motion to adjourn;
 - (b) a motion to defer to a fixed date, except as to the date;
 - (c) a motion requesting that a motion be put to a vote.

Dividing a motion into parts

- 45. (1) A member of council may request or the mayor may direct that a motion be divided if the motion contains more than one separate and complete recommendation.
- (2) Council shall then vote separately on each recommendation.
- (3) A new motion to add a further recommendation is permitted if:
 - (a) the proposed recommendation is relevant to the original motion;
 - (b) the proposed recommendation does not alter in a significant way the principle embodied in the original motion; and
 - (c) the original motion has been dealt with.

Motion arising

- 46. (1) When a particular matter is before council, a motion arising on the same matter is permitted if the proposed motion:
 - (a) is related to and arises from the item that has just been considered;
 - (b) does not alter in a significant way the principle embodied in the original motion; and
 - (c) is made before the consideration of any other item of business at the meeting.

Request that motion be put to vote (end debate)

- 47. (1) A motion requesting that a motion be put to a vote may not be moved by a member of council who has spoken to the original motion.
- (2) A motion requesting that a motion be put to a vote may not be amended or debated.
- (3) If a motion requesting that a motion be put to a vote is passed by council, the original motion shall immediately be put to a vote of council without any further amendment or debate.
- (4) If a motion requesting that a motion be put to a vote is not passed by council, the original question may be amended or debated.

Motion to adjourn

- 48. (1) A member of council may move a motion to adjourn a meeting at any time, except when:
 - (a) another member is in possession of the floor;

- (b) a call for a recorded vote has been made;
 - (c) the members are voting;
 - (d) council is considering a motion requesting that a motion be put to a vote; or

- (2) A motion to adjourn shall be decided without debate.

Motion contrary to rules

49. The mayor may refuse to put to council a motion that is, in the opinion of the mayor, contrary to the rules and privileges of council.

51. (1) A motion to reconsider applies only to resolutions and not bylaws.
- (2) A motion to reconsider is in order whether the original motion passed or failed.
 - (3) A motion to reconsider may only be made at the same council meeting as the original motion that was voted on.
 - (4) A motion to reconsider must be moved by a member who voted with the prevailing side of the original motion.
 - (5) When a motion loses on a tie vote, the prevailing side is those who voted against the motion.
 - (6) A motion to reconsider is debatable only if the motion being reconsidered is debatable.
 - (7) A motion to reconsider cannot be amended.
 - (8) If a motion to reconsider is adopted, the original motion is immediately placed before council to be reconsidered.
 - (9) Once a vote on a motion to reconsider has taken place, no further motion to reconsider that resolution may be made.

Motion to rescind

52. (1) A motion to rescind applies only to resolutions and not bylaws.
- (2) A motion to rescind is in order only when the original motion passed.
 - (3) A motion to rescind may be made at any time following the council meeting at which the original motion was voted on regardless of the time that has elapsed since the original vote was taken.
 - (4) A motion to rescind may be moved by any council member regardless how they voted on the original motion.
 - (5) A motion to rescind is debatable.
 - (6) A motion to rescind may be amended.
 - (7) A motion cannot be rescinded:
 - (a) when the making or calling up of a motion to reconsider is in order;
 - (b) when action on the motion has been carried out in a way that cannot be undone; or
 - (c) when a resignation has been accepted or actions electing to or expelling a person from office have been taken.

Motion to postpone

53. (1) Where a majority of all members of council decides to postpone a motion to a fixed date, the motion cannot be considered by council until the fixed date, unless a majority of all members agrees that the motion may be considered before that date.
(2) The only amendment allowed to a motion to postpone to a fixed date is to change the date.

Motion to refer

54. (1) A motion to refer a matter may not be amended or debated except with respect to the conditions of the referral or the time required to carry out the review.
(2) A member making a referral motion generally should include in the motion:
(a) the terms on which the motion is being referred; and
(b) the time when the matter is to be returned.

Debate on motion

55. (1) No member shall speak more than once to a motion until each member has been provided an opportunity to speak on the motion, except to explain a material part of their speech which may have been misquoted or misunderstood.
(2) The mover of the motion has the first opportunity to speak.
(3) The mover of the motion is allowed a reply at the conclusion of the debate.

Legal advice

56. Where a majority of the members of council present at a council meeting wish to receive legal advice in private, council may recess for a period of time sufficient to receive legal advice.

Abstentions

57. (1) If a member of council is not required to abstain from voting on a matter before council and abstains from voting, the member is deemed to have voted in the negative.
