**The 2026 CiB theme is.....
*Therapeutic Gardening***

More than ever we, recognize the restorative power of green spaces – gardens that nurture the mind, body and spirit. Whether through community gardens, sensory landscapes, or the simple joy of tending plants, therapeutic gardening fosters connection, resilience and well being.

As part of this initiative, CiB is proud to introduce the **Always Together Rose**, a beautiful new variety that symbolizes community, compassion and hope. Proceeds from the sale will support both the **Never Alone Foundation** (<https://nacf.ca/>) and the **Communities in Bloom Foundation** (<https://www.communitiesinbloom.ca/cib-foundation/>), helping to advance programs that make a meaningful difference in people's lives. With the **Always Together Rose**, we are planting more than flowers-we are cultivating hope, fostering connection and nurturing well-being for everyone in our communities.

**Wolf's General Store
will be selling these roses.**
