SASK BEACH NEWS

October 2, 2026

Pumpkins are the only vegetable that double as a seasonal fashion statement.

OFF-LEASH DOG PARK SURVEY

Council wants to hear from you!

At the August 25, 2026 Council Meeting a proposal was made for an off-leash dog park. The area will be fenced and include dog clean up trash cans on site. The location will be on the grass area on the east side of the west beach.

Send an email to administrator@saskatchewanbeach.ca answering the following questions:

1. Does Saskatchewan Beach need an off-leash dog park?
2. Do you agree with the proposed location?
3. Is there a better location?
4. Do you have concerns about an off-leash dog park?
5. Are you a dog owner?
6. Would you use an off-leash dog park?

Thanks so much for your time!

If you are doing any of the following you need a Development Permit.

- Excavation, earthwork adding or removing soil.
- Maximum is 3 sheds under 100 square feet. Any more requires a permit.
- A Development Permit must be approved before a Building Permit is approved.
- For more information review Bylaw 9/2023 the Zoning Bylaw at www.saskatchewanbeach.ca

What is a Permit for Operation of Lug Vehicles?

Definition of Lug Vehicle – means any vehicle, portable engine or tractiopl engine having metal spikes, lugs or cleats projecting from the face of the wheels or having a metal track thread.

If your project requires the use of such heavy machinery either by yourself or contractor a Permit to Operate a Lug Vehicle is required. The purpose of this permit is to make the Village aware of the vehicle and to remind the operator that efforts need to be made to protect the roads. This can be by unloading and loading the equipment on the property using it, laying rubber tires or wood to protect the roads the equipment is travelling on to get to the project site. Costs to repair road damage may be charged to the contractor or property owner. There is no fee for this permit.

Shipping Containers are subject to building codes and standards and require a Building Permit. If you are considering one the first step is to apply for a Development Permit. Council considers shipping containers on a case-by-case basis under the following conditions:

1. Permits from Saskatchewan Beach are required by the property owner before containers are parked or stored;
2. The permit for the shipping container shall be a temporary permit limited to a period of time set by Council. A deposit will be required at the time of application;
3. Containers shall be located a minimum of 3.0 metres from the primary building and behind the rear wall of the primary building, within the rear yard of the property;
4. Containers determined by Council to be unsightly, misused, unsafe or inappropriate in any way, must be removed at the owner's expense within a time period specified by Saskatchewan Beach.

Section 3.20.8, Bylaw 9/2023 the Zoning Bylaw

If the shipping container is placed on a property without an approved Development Permit, the non-compliance will be forwarded to the building inspector for enforcement. All costs for enforcement will be charged to the property owner.

IMPORTANT NOTICE

If you want to receive mail at Saskatchewan Beach you will need to contact Canada Post for a postal box. Your mailing address will never be your Saskatchewan Beach civic address.

Undeveloped Land (*empty lots*)

All lots in Saskatchewan Beach are zoned residential. This means that the principal use is for a dwelling (house/cottage). This structure must be built first. Accessory buildings (garage/sheds) cannot be erected prior to the dwelling. Undeveloped lots cannot be used for storage (trailers, fish shacks, lumber, firewood, etc) without building a dwelling first. As the property owner you are responsible for cutting grass and vegetation in a timely manner. If you have any questions, call the Village Office.

Call your Southey RCMP Detachment at 306-726-5230 for speeding and other vehicular infractions, including golf carts and ATV infractions in the Village.
