LMFD Training and Certification Descriptions

CPR-C / AED - CPR techniques for adults, children and infants. Choking response for all age groups. Two-rescuer CPR, which distinguishes it from Level A and AED training.
ICS – 100 - Incident Command System
ICS - 200 - Incident Command System that features details, principles and organizational structure of the system.
PPSTN Radio - Provincial Public Safety Telecommunications Network
Wildland - For firefighters and anyone who may respond to or encounter wildland fires.
Hazmat Awareness 472 or 1072 - Distinct training standards for hazardous materials awareness and operations.
1081 Level - Outlines the qualifications for facility firefighter members to safely combat early-stage fires without the need for SCBA or thermal protective clothing.
1001 Level 1 & 2 – Level 1 focuses on foundational firefighting skills, including safety, personal protection equipment and basic firefighting operations. Level 2 covers more complex skills and the ability to lead single-resource activities.
Pump Operator – Drives the fire apparatus to the scene and operates its pump to deliver water at the correct pressure to each hose line.
Extrication – The process of removing patients from vehicles involved in motor vehicle accidents. Includes scene safety, vehicle stabilization and the use of specialized tools and equipment.

Saskatchewan Beach has been awarded the Community Spirit Award for creating a *Communities in Bloom Sensation!*

The Resort Village of Saskatchewan Beach is well deserving of the Community Spirit Award for the efforts of staff, council and volunteers in encouraging the goals of Communities in Bloom and making their community a continually better place.

Efforts in 2026 included:

- ✓ Resort Village maintenance staff created 5 benches with self-watering flower pots on each end.
- ✓ Staff, two councillors and a volunteer worked together to plant the 10 flower pots included with each bench with material purchases from a local garden center. These benches were then located throughout the village, on main streets and corners in order to allow residents to stop, sit and smell the flowers.
- ✓ A local donor provided metal art signs specifically for the project which added to the beauty of the benches and planters.
- ✓ The village developed a new garden area at the village office using the Always Together Rose and proudly displays the Communities in Bloom flag in this area.

The collective efforts of staff, council and volunteers is truly creating a Communities in Bloom Sensation in the village that cannot be missed!
